Please Note:

- We are **not able** to provide a 'supply to measurements service' like other standard theatrical costumiers and we cannot alter the sizes of the costumes available.
- We do have a good range of different styles and sizes of uniform costumes and will select the closest match available based on the cast measurements that you provide.
- We can always include a number of **spare German Officer jackets and trousers** to ensure you have a flexibility to mix and match to fit your cast.
- We expect, and hope, that most groups can source white shirts, blouses and black skirts and trousers! If you have any questions about any specific item, then please [contact us](#).
- If there are any challenges with meeting your cast measurements, we will let you know in good time. You will understand the options for larger sizes can be restricted.
- We also have a selection of riding boots in assorted sizes suitable for the Germans and Bertorelli. Subject to size availability and an additional £5 hire per pair. **Available only to customers collecting and returning costumes in person (too bulking for shipping).**
